

## Free\* insulation for village ILU's from DCM Insulation, your ACSA Business Alliance Supplier

**\$1,200 IS AVAILABLE NOW  
FOR EACH VILLAGE ILU**

**Call today (02) 9810 5555  
info@dcminsulation.com.au**

**You can have free\* ceiling insulation fitted to all your ILU's  
by DCM Insulation and at the same time support ACSA's  
"CAN'T DO IT WITHOUT YOU" campaign.**

Ceiling insulation cuts electricity bills by around 40%. The energy savings achieved make it the most cost effective sustainability action you can implement. The Federal Government's Energy Efficient Home Package funds up to \$1,200 per dwelling for ceiling insulation – which covers the cost of most rooms because they are smaller than the average dwelling.

### **DCM – Your ACSA Business Alliance Supplier**

DCM Insulation is an ACSA Business Alliance Supplier, and will make a contribution of \$20 for each dwelling that we install to support ACSA with its image campaign.

### **Obtain a quote now**

DCM Insulation has accredited installers across Australia ready to assess your facility and provide you with a quote this week – in line with all Federal Government requirements.

**Call now for a no obligation quote from DCM on free\* insulation and support your industry association - ACSA. P:(02) 9810 5555 E: info@dcminsulation.com.au**

### **Quality Boral Batts**

DCM only utilises quality Boral insulation batts and Australian Standards down light enclosures, and has constant stock available for rapid installation.

### **Who is DCM?**

DCM delivers tailored sustainable energy solutions exclusively to the village and care sectors. DCM Solar is Australia's largest domestic solar company, currently installing over 9,000 ILU's with solar panel systems.

\* Householder eligibility criteria applies. Government Home Ceiling Insulation Program covers the cost of installation labour and materials up to \$1,200
