

Research Strategic Objectives

EVERY MINUTE. EVERY HOUR. EVERY DAY. WE CARE.

- Develop research to ensure the relevance, quality, effectiveness and efficiency of services provided by Silver Chain
- Define the needs of the community to enable Silver Chain and other community care providers to better meet these needs
- Build collaborative partnerships to promote the development of quality research aimed at improving all aspects of aged and community care
- Promote research that will improve the services of Silver Chain and other aged and community care providers

who cares...
we care
